

NaGISA Taxonomist List
(souls who might be willing to help identify your samples!)

*NOTE: There is no commitment implied in the listing of taxonomic experts here. Agreements regarding work done and any monetary compensation will have to be negotiated with the individual. Individuals may be willing to work for low or no cost, but this is completely up to them.

Name	Contact Email	Taxon
People Within NaGISA or Who Have Helped NaGISA		
G. Pohle & ARC staff Huntsman Marine Science Centre (Canada)	gpohle@huntsmanmarine.ca	Decapoda (depending on region & volume)
Danilo Scuderi (Italy)	danscu@tin.it	Mollusks
Tohru Iseto (Japan)	tohru_isetohotmail.com	Entoprocta
People Who Have Helped Other Projects		
Pierre Brunel Université de Montréal (Canada)	pierre.brunel@umontreal.ca	Amphipoda Cumacea
Stephen Cairns National Museum of Natural History (USA)	cairnss@si.edu	Cnidaria (primarily corals)
Dale Calder Royal Ontario Museum (Canada)	dalec@rom.on.ca (email not confirmed)	Cnidaria
Kristian Fauchald National Museum of Natural History (USA)	fauchald@si.edu	Polychaeta
Nora Foster University of Alaska Museum of the North (USA)	fyaqua@uaf.edu	Mollusca
Terrence Gosliner California Academy of Sciences (USA)	izg@calacademy.org (Invertebrate Zoology Department)	Opisthobranchia
Max Hoberg University of Alaska Fairbanks (USA)	fnmkh@uaf.edu	Polychaeta
Rafael Lemaitre National Museum of Natural History (USA)	lemaitrr@si.edu	Decapoda (especially hermit crabs)
Françoise Monniot Muséum National d'Histoire Naturelle (France)	monniot@mnhn.fr	Ascidiacea
Jon Norenburg National Museum of Natural History (USA)	norenburgj@si.edu	Nemertea

Name	Contact Email	Taxon
Mark Ohman Scripps Institution of Oceanography (USA)	mohman@ucsd.edu	Euphausiacea
David Pawson National Museum of Natural History (USA)	pawsond@si.edu	Echinodermata
Gary Rosenberg Academy of Natural Sciences (USA)	rosenberg@ansp.org	Mollusca (especially gastropods)
Klaus Rützler National Museum of Natural History (USA)	ruetzler@si.edu	Porifera
Robert Jay Van Syoc California Academy of Sciences (USA)	izg@calacademy.org (Invertebrate Zoology Department)	Cirripedia
Thomas Waller National Museum of Natural History (USA)	wallert@si.edu	Bivalvia
Judith Winston Virginia Museum of Natural History (USA)	judith.winston@vmnh.virginia.gov	Ectoprocta
Other People Who Might Help		
Jerry Harasewych National Museum of Natural History (USA)	Harasewych@si.edu	Mollusks (particularly gastropods)
Robert Hershler National Museum of Natural History (USA)	hershler@si.edu	Gastropods
Christopher Meyer National Museum of Natural History (USA)	meyerc@si.edu	Gastropods
Richard Mooi California Academy of Sciences (USA)	izg@calacademy.org (Invertebrate Zoology Department)	Echinodermata
Les Watling Darling Marine Center, University of Maine (USA)	watling@maine.edu	Amphipoda Cumacea

Please let Ann know if you have any people to add to this list!
